Mechanical & Process Equipment and Systems

Sr. No.	Company Name	Country of Origin	Product/Services Description
P3-P	NOV - Wellstream Processing (Fjords Processing France SAS)	France/ Denmark/U.K.	Separators, Dehydrators, Electrostatic Desalters, Filters, Deareators, Gas scrubbers, Gas filtration systems, Fuel gas conditioning, sweetening, Glycol, Nitrogen generators, Injection packages, WHRS, Hydro-cyclones, Coalescers, Vapor/Sulphur Recovery Units
P4-P	Haldor Topsoe AS	Denmark	Supply of catalysts & provision of services for the design of process plants based on catalytic processes. Focus areas include the fertilizer industry, chemical and petrochemical industries, and the energy sector (refineries and power plants).
P5-P	TUBITAL SRL	Italy	Pressure Vessels-Cladded et non, Separators, Heat Exchanger, Condenser, Air Cooler, Polymerization Reactors, LPG Vessels
P6-P	Sivox Steel India	India	Manufacturer/Suppliers of Fittings- for pipe- CS/AS/SS-BW; Flanges, Pipe Fittings, carbon steel & Stainless Steel; Flanges for Pipes –CS/AS/SS, Pipeline Barred Tees; Fittings: Hot Induction Bends-CS
A2-P	Ashtapad Overseas	India	Manufacturer/Suppliers of Fittings- for pipe- CS/AS/SS-BW; Flanges, Pipe Fittings, carbon steel & Stainless Steel; Flanges for Pipes –CS/AS/SS, Pipeline Barred Tees; Fittings: Hot Induction Bends-CS
A3-P	United Overseas Bolts	India	Bolts & Screws, Nuts, Stud Bolts & Threaded Bars, Washers, High Strength Bots & Nuts, Socket Products
A4-P	Integrated Flow Solutions	USA	Project Consultancy Engineering, Mechanical works, Engineering Draughting/Drawing services, Commissioning & Startup services-plant, Pressure vessels, Knockout Drums, Heat Exchangers, Vessels;Hoppers;Drums;Spare parts, Fuel Treatment Skids, Separators, Internals for Separators, Packages Systems & Units (Chemical Injection, Dehydration, Desalter , Gas-Amine, Propane, Gas Treatment, Hydrogen Generation, Nitrogen Generation, Modular Skid, Water Injection), Filtration Systems, Cathodic Protection & Corrosion Monitoring Systems

Specialized Inspection Maintenance, Fabrication and Installation Services

P7-S	International Inspection Services (INSPEC)	U.K./U.A.E.	NDT Inspection Services, Evaluating analyzing and inspecting construction of building and Industrial Fixture; Natural Gas and Oil Well Equipment Installation and Maintenance; Pipeline Radiography Testing and handling; Natural gas and Oil Well Repair and Maintenance; onshore and Offshore Oil and Gas fields and Facilities Services
P8-S	FlameOut International Limited	U.K	Provides supervision, installation, inspection, expediting, design, and maintenance services, and supplies engineered rigging packages to companies with Petrochemical Flare Systems, Broadcast Masts, and Transmission Electricity Towers.
P9-S	Mega Repairing Machinery Equipment (MEGARME)	U.A.E.	Rope Access (Abseiling) – Inspection, High Pressure; Ultra High Pressure, Cleaning, Industrial Painting, Blasting, Flare Stack Inspection, modification and erection/TIP Replacement. NDT /PWHT Inspection Services.

Engineering Consultants & Contractors

P10-S	Vanguard Solutions ME	Australia	Engineering consultancy specializing in safety management, environment, risk and reliability.
P11-S	Gexcon DMCC	Norway	Safety And Risk Management And Advance Dispersion, Explosion And Fire Analysis, Testing Of Equipment To Be Used In Potentially Explosive Atmospheres, Testing Os Explosion Protection Systems, Testing Of Explosion Properties Of Substances. Experimental Explosion Research.
P12-S	Kema Netherland B.V.	Netherland	EPCM Services (Power Generation, Transmission and Distribution), Plant and Systems Operation and Maintenance, Testing and Certification, Environmental Services.
A5-S	Arabian Technocrats	KSA	Engineering Services for the Oil & Gas and Power sectors: undertake complete construction activities for industrial projects in the oil & gas, petrochemical, other industrial sectors and related infrastructure fields, including power & water.

Information Technology Systems

A6-S	Infosys Limited	India	Provides business and technology consulting, application services, systems integration, product engineering, custom software development, maintenance, re-engineering, independent testing and validation services, IT infrastructure services and business process outsourcing. Infosys also offers platform based services and covers the functions like “Hire to Retire”, “Procure to Pay” etc.
A7-S	Bizagi Group Ltd	UK	Bizagi enables collaboration between business and IT in rapidly building and experimenting with process applications, boosting operational productivity and speed while maintaining IT control. Model-driven process applications Ease of experimentation via intuitive visual tools Reuse of all business objects
A8-S	Haverly Systems Inc.	USA	Software for Planning, Crude Oil Analysis and Management, Product Blending, Refinery Scheduling, Modeling Tools & Utilities

Oil and Gas Analytical Products

A9-P	FUJI ELECTRIC FRANCE SAS	FRANCE	Analysers: System Integration (Process/Emission Monitoring Laboratory), Analyser Software:Data Management/Lims/Pems, Analysers: Emission Monitoring (Sox/Nox/Coxspm/Smoke), Analysers: Sru Ration H2s/So2, Sulphur Analysers, Analysers: Co, Analysers: Shelters
A10-P	GECIL Process	France	Laboratory Instrumentation and Analyzers
A11-P	LECO Corporation	USA	Laboratory Instrument for analytical, separation, metallographic and Elemental Analyzer
A12-P	Datalink Instrument	France	Analyzer Oil in Water
A13-P	Seres Environment	France	Analyzers: Others
A14-P	Chromatotec	France	Analyzers: Others

Medical/Laboratory Equipments Installation Services

A15-S	Systec	Germany	Autoclaves
A16-S	General Data Healthcare	USA	Histology Products, tissue processors cassette and slide printers, embedding centers, staining machines, water bathes, slide drying ovens, consumables & Supplies for daily histology practice
A17-S	Hermle Labortechnik	Germany	Development and production of laboratory centrifuges.

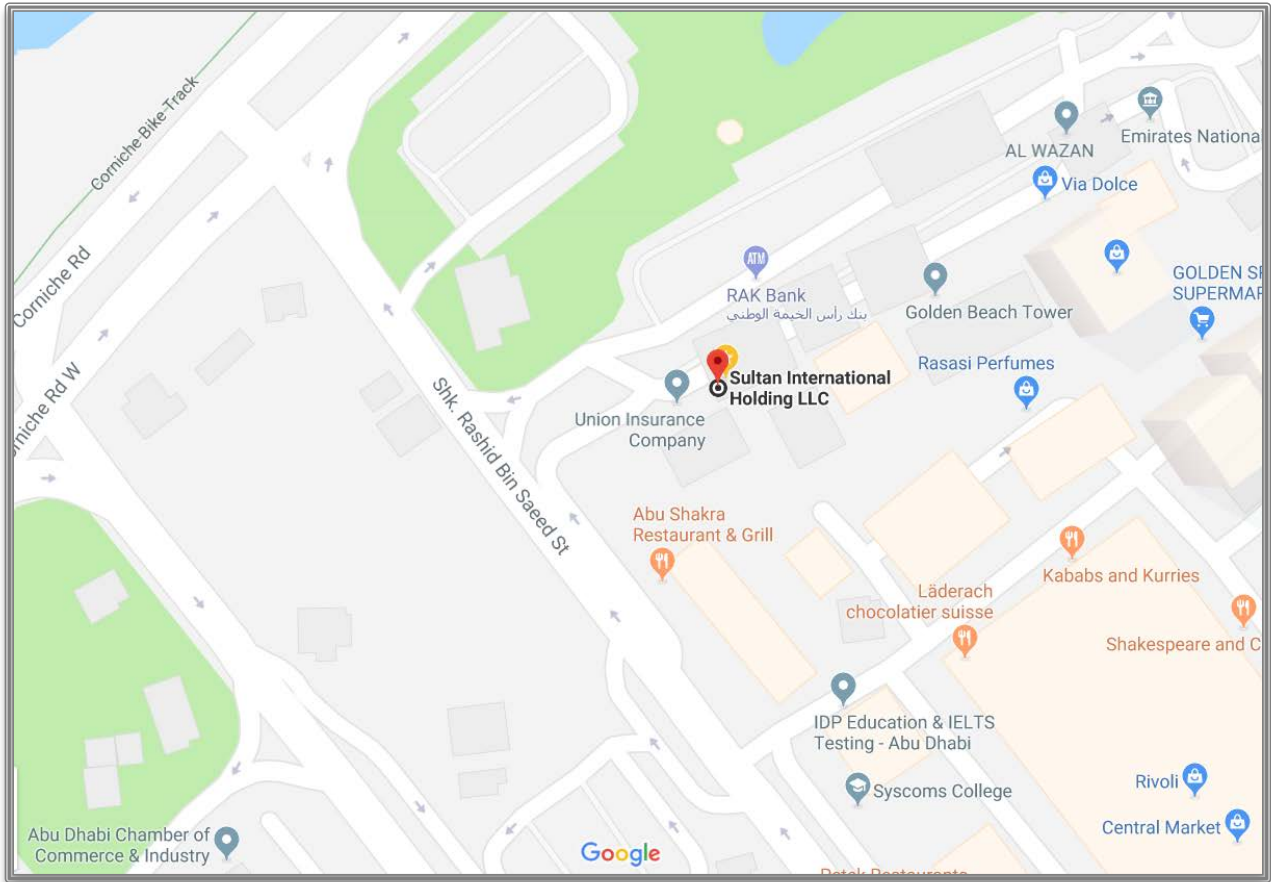

Manpower Resourcing

M01	Light & Hopes Overseas Placement Agency	Philippines	Recruitment of Specialist, Technical (Engineering, IT and Administration Personnel)
